**Don't forget to
Pick up after
Your dog**

Unfortunately, we had more snow than imaginable this winter. Everyone having their cars off the streets made snow removal much easier. However, we had so much of the white stuff, that after a while there was no place to put it. But hopefully at this point of spring it's done with.

We have Great News

Our web site is finally up and running. We think it turned out very nice and hope it is very informative and helpful to all in Laurel Brook.

Check it out at: www.laurelbrook1.com

Any information or suggestions for the site will be greatly appreciated.

We will be able to post all future newsletters on the site, hopefully that will be more often.

There are links to other sites such as: the police dept, the Twp. and utilities that we use here in Laurel Brook. The rules and regulations and forms needed for making changes outside your unit (such as windows, plantings, garage doors, and satellite dishes) are available by pdf so they are downloadable and printable.

Election of One Trustee

At the General Meeting this June there will be 1 position available on the Board of Trustees. Anyone interested in helping us run and make decisions that govern Laurel Brook 1 would be greatly appreciated. For further information please contact Bob Kemock at RJ Enterprises our management company. We can certainly use the help and it's not a difficult job.

Come and enjoy the Pool!!

Hope everyone has a safe and terrific summer!!

Enjoy our new website!!

Anyone who does not have a computer, please contact Bob so we may keep you up to date by mail.
